**OSHKOSH GYMNASTICS & CHEER
GIRL'S "Rec & Roll" RECREATION MEET**

SATURDAY — May 20, 2017

1:00 p.m. - 4:00 p.m.

(Check In: 12:45)

This exciting event is held once again because of its over whelming success last year (we actually were at maximum capacity). Your children can participate in any or all of the following events:

VAULT BARS BALANCE BEAM FLOOR EXERCISE

Your children will work on routines & skills during their class time so they will be very comfortable performing the level they and their instructor choose (MUST KEEP SAME LEVEL PER EVENT). Nothing to worry about...ANYTHING GOES! Instructors & helpers will be there to guide them and assist them on every event. The skills your child can do will determine the level of competition they choose.

Girls ages 4 years and older may participate. Adv Preschool classes (will do the Level 1 routines), Recreation Rec Level 1-3 and Adv Accel I & II classes (will do the Level 1 or 2/3 routines) and Rec Level 4 (will do Level 2/3 or optional routines).

Copies of Level 1 & Level 2/3 routines are available for students. The Optional level is for those Rec Level 4 athletes who want to make adjustments to the Level 2/3 routine allowing for higher level skills to be performed (must be approved by instructor). What fun! And,...you can even use music of choice for the optional floor event!

What a great way for your child to show off what they've learned plus experience performing in front of a group! ALSO...

CHECK OUT THE COMPETITIVE LEOTARD YOUR ATHLETE CAN WEAR FOR THEIR BIG PERFORMANCE!!! SEE ORDER FORM (ORDER DEADLINE IS APRIL 15, 2017).

GREAT FOR SELF-ESTEEM & CONFIDENCE BUILDING!
